Preventative Care Package – Terms and Conditions

- 1. General Terms of Use:** This Agreement and the goods and services provided under it are not transferrable to another pet or assignable to another person. This Agreement applies only to the pet designated on page 1 while owned by the Member. The Member agrees that Package services will be provided during scheduled drop-off appointments when the pet will be left by the Member at the hospital for an agreed-upon time of up to 6-8 hours, generally excluding holidays and weekends. The Provider will make all reasonable efforts to make drop-off and pickup times convenient to the Member during regular business hours. The Provider reserves the right to charge a missed appointment fee equal to the amount of a normal office visit if any scheduled appointment for surgery or other anesthetic procedure is missed without at least a 48-hour cancellation notice by the Member prior to the scheduled appointment. The Provider will make all reasonable efforts to provide services for the Member's pet as needed.
- 2. Automatic Renewal:** This Agreement is effective on the Start Date designated on page 1 for an initial term of 12 months (Package Year) and will NOT automatically renew on the anniversary of the Start Date. **Re-enrollment:** After cancellation, the Member will have up to 90 days to reinstate the Package without paying a membership fee. **Early Renewal:** In certain situations, it may be advisable that a Package be renewed early if the Package services have already been used and are needed again but are not available until after renewal. In order to make the needed services available sooner, the Package may be renewed up to 30 days early. When early renewal occurs, the Member is responsible for any remaining payments for the current Package Year as well as the new renewal Package Year just as if the Package had renewed automatically. The new Package Year will end on the 12-month anniversary of the early renewal date.
- 3. Package Discounts:** The discount percentage listed on page 2 applies to most non-Package services and products purchased from the Provider for the pet named on page 1 during the term of this Agreement. May not be applicable to some Urgent Care or Emergency fees.
- 4. Payments:** Monthly payment installments will only be billed directly to the Member's credit card or deducted from the Member's bank account. A late payment fee of \$30.00 will be billed to the Member for insufficient funds, over limit status or any other reason a payment is unable to be processed on the agreed payment date based on the account information supplied by the Member. The Member is responsible for immediately notifying the Provider of any changes in billing account information to avoid any late fees.

[Initials] _____

- 5. Cancellation:** Either the Provider or Member may cancel this Agreement at any time, but there may be monies due to the Provider upon cancellation. If cancellation of this Agreement results in monies due by the Member, such monies shall be paid in full at the time of cancellation. To cancel this Agreement, the Member must call <co-phone>. [Initials] _____

Cancellation by Member: If the Member cancels for any reason (including but not limited to death or loss of pet or transfer of ownership), whether before or after the Provider has rendered services, the Provider shall be entitled to retain the entire membership fee. The Provider shall also be entitled to retain or recover from the Member all monthly installments that have previously been paid or become due, including the installment for the month in which cancellation occurs regardless of the cancellation date. In addition, upon cancellation prior to the end of the Package Year, if the total undiscounted retail value of the Package services/products already provided during the plan year exceeds the sum of monthly installment collected for that Package Year, the Member shall be obligated to do one of the following.

- Immediately pay full retail fees for all services/products provided (with all discounts reversed as if the Package had not been in effect for the Package Year) to the extent such fees exceed the total of the monthly payments received by Provider for the Package Year, OR
- Immediately pay the total remaining monthly installments for the Package Year in full if less than the amount described in paragraph (a); OR
- Continue making the monthly payments as they become due for the remaining term of the Package Year in effect.

If the Member has paid the full annual fee in advance, upon cancellation by the Member, the Provider will refund, if any, the lesser of (a) one-twelfth of the annual fee times the number of full months remaining in the Package Year or (b) the full annual fee minus the undiscounted retail value of all Package services/products that have been provided in the Package Year (with all discounts reversed as if the Package had not been in effect for the Package Year).

6. **Cancellation by Provider:** The Provider reserves the right to cancel the Package at any time and for any reason. In the event the Provider chooses to cancel the Package for any reason except the Member's default, Provider will waive any future payments due under the Package and discharge the Member's obligation under this Agreement in full.
7. **Default:** If the Member fails to pay any monthly installment by its due date, the Provider may immediately suspend Package services and products until the Member reinstates the Package by paying all monthly fees due or owed; however, if any monthly installment is past due for 90 days or more, the Provider may immediately cancel this Agreement and discontinue Package services. While declaring all remaining monthly installments for the Package Year immediately due and payable, while referring the Member's account to a third-party collection agency. Collection activity may negatively impact Member's credit rating and may result in collection fees that will be payable by the Member. If the Provider permits the Member to restart a Package after cancellation under this section, a new membership fee will be required and the **Care Plan must be paid in full**, unless special arrangements are made between the Member and Provider and agreed to in advance.
8. **Contact and Notice:** The Member agrees, to allow the Provider or its agents to service the Member's account, including, but not limited to, providing medical reminders, product recalls, or to collect any amounts owed. The Provider or its agents may contact the Member by telephone, text message, email, automatic dialing device and/or pre-recorded/automated voice or text messages, at any telephone number or email address provided to the Provider by Member.
